MEMORANDUM FOR:

FROM : B. C. Evans  
Executive Secretary

REFERENCE : Your Memorandum of 13 October (NFAC 2600-77),  
Subject: Request for One-Time Clearances

I reviewed your referent request with Peter Tarnoff, State Executive Secretary, this date and noted that in order for the assessment to be undertaken as proposed, the officers listed in paragraph 4 would have to have access to NODIS traffic mentioned in your memorandum plus any subsequent NODIS material. We concluded that:

a) The officers mentioned in your paragraph 4 could read the material on Agency premises;

b) They would not be allowed to take the cables back to their respective organizations;

c) State/INR officers Campbell and Seasword could get additional access to the material at State by contacting Peter Tarnoff's office;

d) I am obligated to consult with Peter Tarnoff on the final classification of the assessment as well as its distribution.

B. C. Evans
